

PRESS RELEASE

CHAMBER: GREAT NEWS FOR THE RESIDENTS OF GUELPH!

WE HAVE NEW FAMILY DOCTORS AND NURSE PRACTITIONERS WHO ARE ACCEPTING PATIENTS

If you live in the area and need a family doctor, the Guelph Family Health Team has recruited a number of highly qualified family doctors and nurse practitioners who are taking new patients. Guelph Family Health Team patients also have access to dietitians, counselors, nurses, pharmacists and other health professionals as part of their care team.

Across the whole Guelph Family Health Team below the total available capacity for new patients is more than 10,000! Additional doctors are coming this year. Please ensure your family is registered with one of our local physicians.

Remember to see your family doctor as part of your own personal wellness plan.
