

Costco Shares Commitment in Guelph Syrian Refugee Initiative

Guelph's Costco Warehouse located at 19 Elmira Road has stepped forward by committing a \$500 gift card donation that will go towards much needed food hamper items that are being coordinated by the Guelph Syrian Refugee Forum and the Muslim Society of Guelph.

"Costco dedicates the balance of its charitable contributions to children's initiatives, specifically in the areas of health, welfare and education, as well as to families in need, and this was such a worthy cause to support," said Lorell Gilpin, VP Marketing at Costco Wholesale.

The Guelph Chamber is pleased to work with Costco Wholesale and appreciates their consideration in an effort to help make Guelph a welcoming place for the refugee families.

For more information on the Chamber's Corporate Challenge and to request donation information, please contact Adam Stewart, Guelph Refugee Forum Corporate Challenge Coordinator, by email at adam@guelphchamber.com.
