

# Procurement Assistance Canada and SMEs in Guelph

**DOMINIQUE  
O'ROURKE**

Member of Parliament for Guelph

## HOW DOES PAC WORK?

As the central purchaser for the Government of Canada, Public Services and Procurement Canada leverages its purchasing power to empower small and medium size enterprises and diversify its suppliers.

Procurement Assistance Canada as part of PSPC, helps SMEs bid on federal contracting opportunities and advises government buyers and policy-makers on the concerns of smaller and diverse businesses.

PAC is actively engaging with smaller businesses to understand and try to reduce barriers that impede on SMEs from participating in federal procurement through free events, seminars, and personalized coaching.
