

The **acorn online** is a digital magazine by the Guelph Chamber of Commerce to salute and celebrate our members. We want to showcase you and tell your success stories.

acorn online is available to all of our members on any preferred device, sharing business stories, brilliant photography, and profiles of some of our finest members.

ADVERTISING WITH US IS EASY!

We offer creative design services to help you bring your ad to life OR we can work with your existing ad.

We know our members will enjoy reading and sharing issues online with their networks and on social media.
